SUMMARY OF THE REASONS FOR DECISION:

The DVD *China Box* also known as *Private Gold* is classified as:
Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

China Box contains a feature previously examined and classified as a video recording by the Office of Film and Literature Classification. The video recording was classified as "Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years", with the descriptive note "Contains explicit sex scenes". This decision was registered on 27 March 2002.

The DVD version of *China Box* contains additional material comprising a trailer for *China Box*, five trailers for sexually explicit features, still images from the feature, background information about *China Box*, and biographical details about the women participants. There is nothing in the DVD version that requires an alteration to be made to the classification given to the video recording version of the publication. Therefore the previous classification of *China Box* as "Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years" is appropriate, with the same descriptive note.
